What you can expect at the audition

Auditions will be in groups so we can see how you interact with each other.

- Acting We will read through sections of the script and play some theatre games. These are to relax us all and to see how comfortable you are creating character and adapting to different situations-panto is fast moving and there's never the exact show twice!
- Singing Singing will be required. Confident singers can sing solo. Those who are not so confident can sing in small groups if they like. Nobody will be forced to sing solo if they are not comfortable to do so in front of the whole group!
- Dance We will learn a very simple dance routine that we will dance together.

Song choices to prepare (you only need to pick one):

- *Material Girl by Madonna (first verse and chorus)*
- *Listen to Your Heart by Roxette (first verse and chorus)*
- *Crazy Little Thing called love by Queen (first minute of song)*
- *Summer of 69 by Bryan Adams (first verse and chorus)*
- *Always by Bon Jovi (first verse and chorus)*

We have backing tracks available if you want them ahead of the auditions to practice!

The three roles already cast (the co-writers of the script who are playing Alana, Nursey and the Sheriff) will be at auditions to see how they work with the auditionees. They will not be making casting decisions.
